

## ANGLICO

Air Naval Gunfire Liaison Companies (ANGLICO) are made up of small unit teams that specialize in all aspects of fire support. Units range from terminal control firepower teams to division fire support coordination centers, the latter of which has intermediate battalion supporting-arms liaison teams and regimental/brigade fire support coordination support.

ANGLICO units will provide Marine Air-Ground Task Force (MAGTF) commanders a liaison capability (with foreign area expertise) to plan, coordinate, employ, and conduct terminal control of fires in support of joint, allied, and coalition forces.

In 2002, the Commandant of the Marine Corps approved the reestablishment of ANGLICO, authorizing a company on each coast and a separate brigade platoon in Okinawa. In 2003, 1st ANGLICO was reestablished at Camp Pendleton, CA. 1st ANGLICO will have a company headquarters and two brigade platoons. In 2003, 2nd ANGLICO was reestablished at Camp LeJeune, NC. 2nd ANGLICO will also have a company headquarters and two active-duty brigade platoons. Each

company will tie in closely with the Reserve ANGLICO units. Operational capability is expected in 2005. 5th ANGLICO, a separate brigade platoon, was stood up in the III Marine Expeditionary Force in October 2004.
